

Appl. No. 10/808,651

Paper dated August 29, 2007

Reply to Office Action dated May 30, 2007

Amendments to the Specification:

Please replace the paragraph 0003 with the following rewritten paragraph:

[0003] Fig. [[16]] 17 is a view showing a structure of a lens apparatus. As a representative example of a preset function, there will be explained a memory position preset zoom control.
